Dear Mr. Binu ,

As discussed PFA NT items list with proper RA and supporting documents, kindly review and approve ,

Pls feel free to call incase of any issue or clarification required.

Aside Ajit Singh ji pls acknowledge the work done or has to happen for the list of extra items , for rates we will discuss with the commercial but before that you have to confirm that the same was required and is either executed on site or has to be done in near future.

Pl note the extra items are touching approx. 9 lacs for a PO of approx. 29 lacs which is more than 30% , we only deviate 5% plus minus. but keeping in preview our new relationship we have done almost all of the extra work in taco bell but in Dominos we can only do the extra work once we get At least Taco bell PO of extra items .

So request you to kindly take this on top most priority , looking forward for your kind support.
