Hi Heram,

This CR is for posting the transaction data into the batches which will perform in backend in every interval to avoid front end task. ITTI is our existing vendor through which we raise all the CR related to POS and ERP. Please let me know if have any further query to discuss.

Best Regards,
Deepak Dhyani

Subject: RE: Automated Batch Posting

Hi Herambraj,

We have **ITTI** as our NAV vendor, and we already have a yearly contract signed with them for NAV support.

The attached document pertains to the "Changes Request for Automated Batch Posting". Currently, some transactions that are being processed manually will be automated using batch posting functionality. This quote has been provided by ITTI to implement the necessary changes.

I hope this clarifies your query. Please let me know if you need any further details.
