**Attachments:** Important Licensing Changes to Microsoft India Commercial Business

**Importance:** High

Dear Heramb,

As discussed, “All e Technologies” is our current registered partner for Microsoft Navision Licenses so we can’t get from any other partner. Also please note that we cannot do R.C as these are perpetual licenses which are procured whenever required and is not locked in by term period like other Microsoft subscriptions. Whereas we pay its BREP charges on pro-rate as period annual renewal term.

Kindly note that as per their recent notification, their pricing is going to increase from **1<sup>st</sup> October 2024**. (Mail Attached)

Request you to process and release this PO quickly else partner may not process the order on the current price if PO not released within a week.
