Hi Ravi,

There are no specs needed for this particular item which is what I have mentioned. Door closer for CARRIER Make Walk-in chiller is sufficient.
And if you feel there is more specifications needed, please contact us before rejecting.
Kindly advise how to proceed with this PR

Thanks,
Nashid

Dear Nashid,

Please help us to process the PRs with relevant specifications & thus will enable us to speed up the work.

Since there is no Specifications available, I have rejected the PR. However, we will process the same.

And as you mentioned the process below, the PRs won't be rejected in future until proper specifications shared.

Thanking you in anticipation.

Thanks/Regards,

Dear Ravi,

This is not acceptable.

Before rejecting any PR, you should discuss with the concerned. You had already written a mail separately and we had replied to it as well (as attached). But after that you are straightaway rejecting it.

A PR comes to procurement after regional GM approval and all HO level management approvals. And just like that, please don't reject it and expect the same process to happen again from the start.

There is no specification for walk-in door closer. Walk in chiller is CARRIER make and the door closer comes as a standard for all ! And we have given supplier quote also.

If you still need specification, please get us a quotation for the same with specs, contacting vendors whoever you know.

Please share it to me, we will revise this PR in Safal.

@Prathap R ji, This shouldn't work in this manner. Kindly look into this.

Thanks,
Nashid
