Subject: RE: Ahmedabad T1 | SHA | Ahmedabad Street.

Dear Mrunal.

- 1 The Floor Breaking was not a part of the BOQ which was received from ARA
- 2 The site at present is finished with Airport vitrified tiles and for doing the water proofing for Ahmedabad street the same has to be demolished

Regards
Santosh T

Dear Team,

We need a justification for this NT work (Floor Breaking) to proceed with the order.
Requesting to do the needful here.
Thanks.

Regards,
Mrunal.

Dear Pankaj,

As per Varun Sir's feedback, the seating capacity for 2-seaters needs to be increased. However, in the revised layout, the number of seats has decreased from 47 to 45. Please revise the layout to ensure the correct seating capacity is reflected, and kindly mention the accurate count in the updated layout.

Additionally, please incorporate the Thali kitchen equipment, which was missing in the previous version, and share the revised layout. I also hope the 3D rendering for these outlets has been initiated. Kindly confirm the timelines for the same.

Thank you,
Prakash Mistry

Dear Amey,

Please find attached the comments from Mr. Varun regarding the Gujarathi Street layout (refer to attachment), request you to update the layout (Option – 2) in accordance with this feedback and forward the revised version for our approval.

Additionally, please proceed with the development of the 3D render. Our objective is to finalize the render by the end of this week. Following the approval of the 3D render, the GFC should be issued within 15 days, with a target date of 30th September.

Your prompt attention to these tasks would be greatly appreciated.

Best regards,
Prakash Mistry
