## About Minosha

---

### Minosha India Limited,

Minosha India Limited (Formerly Ricoh India Limited) is present in India for over 27 years and operates through a robust pan-India network of 7 offices and over 300 business partners. What sets Minosha India apart is that it delivers not only a wide array of products and solutions but consistent service levels across the Country. Minosha comes up with new and innovative products for its customers based on India-Market requirements. Minosha India has been a major and well regarded System Integrator for IT Services Projects that have enabled the Government of India and various State Governments to bring about digital transformation in the fields of Education, Healthcare, E-Governance and Citizen Centric initiatives. Many of the projects are successfully completed and the services provided by us have met their requirements beyond their expectation levels. Some of the prestigious projects are still under process. Our field force equipped with high technology is ready to meet their technology needs in time.
