**Subject:** Techno-Commercial Offer for sewage treatment plant repair and service with material.

**Dear Sir,**

I visited your site Wagnaghat,(Hp). And inspected the sewage treatment plant installed there. According to our observation already installed sand filter and carbon filter under capacity. The filter feed pump and sludge recirculation pump not install at the plant this time. And effluent lifting pump not working . To run the sewage treatment plant smoothly . The things mentioned above are required. So that the plant can operate smoothly. we are submitting here with the techno-commercial offer for the same.

**Techno-Commercial Offer.**

We hope you will find the same to your requirements. While assuring you of our best services, we look forward to your valued order on us. In case you require any further clarifications, please feel free to contact us.

**Sincerely yours,**

**For** Vaishnavi Effluent Treatment System
