Dear sir,

Since we had completed Barricading PO for T2 and scope of work opened for execution and also as per direction of Projects we had already started Fabrication work and Carpentry work.

We request you for consideration for same as we directed to initiate and complete work on high priority and escalated pace .

We are holding work for today but material procurement already done atvour end for fabrication and carpentry work

With regards

Thanks & Regards

Subject: Termination PO (Semolina/PO/24-25/001403) Due to Discrepancies- Chaayos Mumbai T2

Dear Team Dayspring,

Following our recent telephonic discussions, we have reviewed the attached Purchase Order (PO) for the interior works at **Chaayos, Mumbai T2**.

The rates captured post the round of reverse auction (negotiation) are incorrect, specifically, rates of some items (**Main Cable & Few Other Miscellaneous items**) have been listed with a rate of 0.

This issue will led to the inclusion of additional items which is part of the original BOQ.

Due to this issue, we are left with no option but to terminate the PO with immediate effect. Kindly consider the PO (**Semolina/PO/24-25/001403**) as **terminated**.

However, we request that you initiate the refund of the advance amount which has been already released against this PO.

Regards,
Mrunal.
