Subject: Re: Mishta Mithai Cart- Domestic Lounge & East Lounge Level 4.

Dear Sir,

Thanks for the mail.

We regret to inform you that we will not be able to execute this at your target price.

Also , please note that we had already spent more than Rs 2Lac for designing and sampling of the setup which we did not ask for and recovered in the delivered setup.

As far as the clarity is concerned please find below my comment:

1. Structure :We had already mentioned the material specification and sizes in the PPT. Now please advise what kind of detailed BOQ are you looking for?
2. Canopy : We had already mentioned the material specification and sizes in the PPT. Now please advise what kind of detailed BOQ are you looking for?
3. Mechanism : It was discussed, we had used the complete heavy metal frame along with supporting to hold your existing machine and smooth moving.

Sir, this is to request you to please have a look at our existing delivered Cart for more details.

As it is the delivered and approved project, I am not able to understand what is the kind of clarity and finishes etc.. What are you looking for ?

Please advise

Vikas Sharma
