Dear Akshay
[Ref to trail email](#)

Based on the Bill of Quantities (BOQ), open deck chillers are needed for the Jaipur Lounge & Lucknow CIP Lounge, with dimensions of 830 x 600 x 1400 mm. However, this specific size seems to be uncommon, and no brand seems to offer an open deck chiller with these exact dimensions. In spite of this an alternative model is available under the Celfrost HTS 510 brand. This alternative has been endorsed by Mr. Saeed, the head of our kitchen design team. I've included a quote for your review and approval.

Since we have currently only one supplier who is capable of supplying said equipment i.e. **Kite International**, we need exceptional approval to process with single vendor .
