Dear Nikhil Ji,

PFA our PDF document, which includes the updated specifications and the incremented rates for the order amendment. Additionally, I've attached the final technical PDF, which will be used for production.

Please review both documents and let us know if you have any queries or require further adjustments.

Warm regards,

Faisal S

Dear Chetan Ji,

I hope you're doing well.

I realized that the Centurion Lounge signage approval was not mentioned in our previous conversation. Could you kindly confirm if it has been approved along with the Travel Club and Ritazza Cafe signages? Additionally, I understand that the Irish House signage has now been approved as well—thank you for that.

I am attaching the final PDF for all these signages, and we would appreciate it if you could provide formal approval with a signature and stamp at your earliest convenience.

Please note, we will require a timeline of 4 weeks from the date of the revised order and advances, especially with the Diwali holidays approaching, during which our office and factory will be closed.

Looking forward to your confirmation.

Dear Chetan Ji,

I hope you're doing well.

I wanted to check in regarding the Mumbai T1 and T2 signages. Could you please confirm if the Travel Club and Ritazza Cafe signages have been approved? If yes, kindly let us know if we can proceed with the production of these two signs. From what I understand, only the Irish House signage is pending approval at the moment.

Additionally, as per Mrunal Ji , advances are currently being processed. To save time, we would like to begin production for the approved Travel Club and Ritazza Cafe signages. Once the Irish House signage is approved, we can start production on that as well.

Since Diwali holidays are approaching and our office and factory will be closed for several days, we would appreciate your confirmation soon.

Looking forward to your response.

Hello Mr. Chetan,

RITAZZA CAFE:

PFA herewith another option created for the Marathi sign to match the English (however the cost will have to be worked out due to increase in the size of the signage.)

Await your kind approvals.

Hello Mr. chetan,

Noted your comment. However we also have to take care of this:

"The modified artwork done by Marcon-as it was the Airport's requirement that the signage +supports should not be more than 577 mm Height from the bottom (as done in the English Signage)

A consolidated PDF is attached for final approval/discussion.

Hello Mr Jitesh,

Irish word in Marathi signage is looks small the English signage and it should be almost similar size in both the signages.

Hello Shashank,

Please review the attached Irish House signage drawing and confirm if our proposed Marathi signage version is okay or not, where the Irish word is approximately 50 mm (2 inches) bigger.

Regards,

Chetan V Bobade

Hello Chetan ji,

PFA herewith approval for "The Irish House"-Marathi signage.

Kindly note the modified artwork done by Marcon-as it was the Airport's requirement that the signage +supports should not be more than 577 mm Height from the bottom

Kindly approve.

Hello Mr Jitesh and Yash,

Specification are okay but Irish House Marathi signage will also be same like English (Irish word need to be in curve shape).

Travel Club Signage:

1. Check the ACP joint shown on the background – It was supposed to be actual wooden but if we are using the ACP sheet then the joint is okay.
2. ACP colour and code required – Please share the sample which will similar to the actual for approval if we are using the ACP.
3. Check the sides of the background box is black anodised Aluminum – Please cover the sides also as per wooden shade ACP.

The Irish House:

1. Check the artwork as given by you – I think wrong artwork has been shared by the team Marathi signage will also be same like English (Irish word need to be in curve shape).
2. Check the Marathi signage as shown in a straight line – It should be curve, please find attached correct artwork.

Regards,

Chetan V Bobade
