Exact utility requirements (e.g. Electrical, gas, steam connections & load) at site shall be advised after receipt of confirmed purchase order. Customer must ensure the provision of all utilities exactly as per the information provided before the visit of DE CHEFMECH LLP'S service Engineer/Technician at site. If the installation couldn't be completed due to lack of any site requirement, the visit shall be considered as valid & any additional visit shall be done on chargeable basis.

In case the equipment's received at site, we request you to provide storage with lock and key system; this is to safeguard the equipment lying in open of the construction site which can be damaged by the labour during the working hours. In this case, DE CHEFMECH LLP will not stand responsible for any kind of damage of the equipment.
