Dear Samarth

Further to our discussion regarding the requirement of a cold FDU for the low-cost outlet in Kolkata, we currently have a rate contract with Elanpro for Cold FDU. However, the FDU is located in their Chennai warehouse and can be delivered within 8-10 days.

Considering the urgency of the situation, we are planning to purchase the unit from a Middleby dealer Opus in Kolkata, who has the stock available and can supply it within 2 days. Please note that this option will incur an additional cost of **Rs. 24,072/-**.

We kindly request your approval to proceed with this purchase.
