Dear Binu,

Request to check the statement properly. Your propose amount is only installation portion only and it is already in Daivik contract. Where is the material cost? Shah enterprises claimed the SITC and I have split this as per Daivik order.

If any clarification please call me. I called many times Jogeshwar but no response from him.

Dear Binu,

I have clearly mention in the trial mail what is Daivik and Shah scope. For any rates please you discuss with Vendor not with me. Under signed is responsible only for quantity of work done. Rate part contract has to finalize with vendor.

Now vendor is supporting for KFC . We suppose to complete the KFC by 31/12/23 and there is heavy penalty for delay. The outlet handed over on 12/9/23 and vendor raise the bill after completion of snag works. Later waited for Daivik final bill and everything was completed on 26th Novemeber 2023.

We are not reverted since past 3weeks and even BB expansion joint work payment also not done.
