Dear Shadab,

Please find below our justification.

Justification: We were given the confirmation on the dispatch and asked to start the installation work on 11th September. Accordingly our team and material reached the site on 10th September. Upon arrival it was found out that there was no

permission to enter the material and start the work. We received permission to enter the airport and unload the material on 16th September. During this idle time we incurred the expenses as below.

Attaching herewith the Food, Accomodation and Transportation bills for your reference.

Requesting your approval for these additional expenses.

Thanks & regards,

Shirish

<b>Additional Transportation Expenses</b>	<b>Amount</b>	<b>Details</b>
Waiting Charges	20000	2000/day X 5 days X 2 Vehicles
