AEONIC
KITCHEN EQUIPMENT
A PRADEEP PRODUCT

Warranty Terms & Conditions for Aeonic Commercial Kitchen Equipment Warranty

Coverage Period:

- The warranty is valid for 6 months from the date of purchase.

Warranty Inclusions:

- This warranty covers only the replacement or repair of the induction Coil and its Controller, due to manufacturing defects, at the sole discretion of PRADEEP Stainless..

Exclusions from Warranty:

- The warranty does not cover issues arising from:
- Usage of the product in any manner other than its intended purpose.
- Failure to follow the instruction manual/user's manual provided with the product or during installation by authorized channel partners for custom-made products.
- Failure to register the product under our website's genuine part verification test.
- Improper or reckless use.
- Unauthorized modifications or repairs by anyone other than those authorized by Pradeep or its dealers.
- Use with incorrect, unstable, or faulty power supply.
- Normal wear and tear from regular use.
- Damages resulting from transportation, accidents, mishandling, or negligence by the customer.
- Damage from pest infestation, water splash, oil seepage, or foreign particles due to negligence or inadequate maintenance.
- Damage due to inadequate kitchen exhaust and fresh air systems.

Components Not Covered Under Warranty:

- Display
- Digital Temperature Instruments
- Power control and switches

Claim Process:

- Warranty claims are valid only upon presentation of the original invoice or proof of purchase that includes the machine's serial number and model number.
- Replacement of parts not covered under warranty will be charged based on actual expenses incurred.

Guidance for Use:

- Please carefully read and follow the instruction/user manual to ensure optimal performance of your machine.

Service and Maintenance:

- Service and maintenance will be provided at the manufacturer's discretion, with a commitment to outstanding customer service. Response times may vary based on technician availability, geographical distance from service centers, and current service workload.
- All service and maintenance calls, unless covered by warranty, will be chargeable at actual cost.
- Regular maintenance is required for optimal performance of the machine.

Additional Services:

- Installation and initial demonstration/training are available for a fee.
