Hi Sandeep,

Further to the discussion for Carls Jr Elect (HYD) & Carls Jr Gas (Lucknow) please find enclosed our revised no regret proposal.

Order will be placed on receiving of PO with 100% advance. (Due to Proprietary Equipment - Carls Jr)

Due to prevalent conditions in the Red Sea, the shipping lines have started revising their rates and adding risk surcharge. Pls note Celfrost will not be able to hold the discounted rates beyond 31st Jan 2024.

Best Regards

Hello Sandeep

1. MV63-2EBG model is equivalent to **JF143-2EBG** broiler. The description provided by factory is Flow Through, Wire Belt Feeders, 12/10 split, Touchscreen Controls, Bun Grill & Incendalyst®. There are multiple models approved by CKE. Pls advise which EXACT model is required by you and we will quote accordingly.
2. Middleby will sell and install the equipment as received from factory and it will not be feasible for us to supply/add any other accessory/part.
3. The best possible pricing is already shared. Shipping charges have increased in last 1 month due to ongoing conflict in Red Sea and longer route taken by vessels. However, we will still hold the quote sent to you 3-4 months ago.

Best Regards

Animesh Gupta

Dear Hitesh /Animesh

In reference to the trail email, the model quoted as MV63-2EBG and the one suggested by Manaf, JF143 – 2E (electric, split belt), are they the same? If not, please provide a quote accordingly. Also, confirm the contracted pricing and ensure that these are non-negotiable prices.

As per Manaf Paneer slider need to procure them separately, please quote accordingly or revert for clarification on this

Thanks & Regards

Hi Sandeep,

On the quote. You do not need to order Vertical bun toaster as the broiler that you will order is a flow thru unit that come with bun toaster.

4	SHM 11	Celfrost	Toastmaster Vertical Bun Toaster, Dimension : 460 x 350 x 610 (WxDxH In mm.), Power : 2 kw, Electricals : 220 V/ 50 Hz/1 Ph, Temperature :50°C ~ 300°C,	2	69,900	1,39,800	
---	--------	----------	---	---	--------	----------	---

You will only need to order vertical bun toaster if you are ordering front feed front return broiler (which is not in this case)

Protein belt -
split

Bun toaster belt

JF 143 - 2G or 2E – flow-thru broiler

As per Animesh, it is better for you to fabricate the stand in India to save cost. You may work with Gilly/Middleby to have that done locally.

Attached is the spec sheet for JF143 Gas (yours will be either JF143 – 2E (electric, split belt) or JG 143 – 2G (gas, split belt). India will use split belt to separate non-veg (chicken) and veg (paneer) products that goes thru the broiler.

Dear Suhaimi ,

Thanks for highlighting on broiler stand quote , we will discuss this with Middleby team apart from this I would require your support on below points

- Are the Neico belt separator and Neico Paneer slider integrated parts of the broiler unit, or do we need to procure them separately? Middleby has not provided a quote for these specific components. **This are only specific for India's broiler because of the non-veg and veg product that you will be using. Paneer slider is needed to ensure the product will not break upon exiting the belt. Please confirm with Animesh on the quote.**
- Do you have rates contract with Proprietary equipment supplier I.e. , Middleby , Mittal , Gilly ,Apex **Middleby yes...as they have contract pricing for us from Neico.**
- **If rates are not contracted then we will require your support in rate negotiation with these vendors. As per other SCM, the negotiation on rate will be between the franchisee and the vendor in India.**
- We will require equipment Ex -Factory lead time (Manufacturing + ready for dispatch from Factory time) , We need Lucknow & Hyderabad equipment by end of march 2024 at site **That will come directly from the respective vendors.**

I kindly request you to organize a team call if any further clarification is needed regarding this matter

Thanks & Regards

Sandeep Bhat

Hi Sandeep,

Please check my other email on Animesh of Middleby's response to the lead time.
I also want you to be aware that the quotes from Middleby is without the broiler stand.

Please confer with Animesh or Hitesh on that.

Secondly, I need the communication from Mittal on the lead time.

Thirdly, as mentioned before, I need both sites construction timely to assess the tentative opening date and prepare my opening support team. Who can provide it?

Regards,

Suhaimi Abdul Manaf

Dear Manaf,

I hope this message finds you well. We're in the process of establishing Carl's Jr outlets at GMR Hyderabad airport. We've received a quote from Middleby for a list of electrically operated equipment as specified.

Your prompt confirmation on the rates would immensely helpful as we aim to proceed swiftly with ordering the equipment., Additionally, we've been informed by Hitesh that these Equipments have a longer lead time. We would greatly appreciate your assistance in expediting the delivery of these Equipments.
