Automatically Delivers Precise RPMs Regardless of Food Load

# LEAKPROOF JARS WITH TRIPLE SAFETY PROTECTION

Shatterproof Tritan Lids with  
Gaskets & Locking Tabs

Double Interlock &  
Auto-Braking System

# Juicer Mixer Grinder

## EATURES–

**5 Year TOTAL Product Warranty:** Covers both motor and entire product, Onsite Pan-India service.

**Free Virtual Demo:** No sale required. Simply call 1800 572 8766 or email [india.service@hamiltonbeach.com](mailto:india.service@hamiltonbeach.com). You can learn more now by watching the product orientation video featuring Master Chef Kunal Kapur.

**Tackle Toughest Ingredients with Ease:** 1400 watt rated motor grinds everything to perfection. 3X motor overload protection (advanced cooling, early warning & auto cut off) for continuous operation.

**Mess-Free Kitchen:** Shatterproof Tritan lids with robust sealing gaskets & locking tabs prevent leakage from the top of the jar, and double ball bearing cutter assemblies prevent leakage from the bottom.

**Safety Ensured:** Double interlocks require jar & lid to be in place for the blades to spin. Auto braking system stops the blade within 2 seconds if lid is disturbed. Handles secure minimum 48,000 cycles.

**Hands-Free Perfection:** 13 program settings for dry grinding (turmeric, spices and nuts), wet hard (idli and dosa batter), wet soft (purees), hot soup & cold blending (smoothies & juices).

**Ultimate Control for Pro Results:** Variable speed control from super slow (3000 RPMs) to super fast (18000 RPMs).

**Intelligent speed sensor** automatically delivers precise RPMs regardless of food load.

**No More Breakdowns:** Performs continuously even in harsh conditions. Runs with wet ingredients up to 400 hours (replace motor brushes every 100 hours). Commercial-grade durability with all metal drive.

**Unbreakable Hardened Stainless Steel Blades:** Each jar features a one piece blade that handles all ingredients. Blades must endure at least 4,000 cycles of ice crushing and fatigue testing.

**Unbreakable Stainless Steel Jars:** Will not leak, crack, dent nor rust. Square jars with flow breakers keep food circulating for superior and consistent results. Easy to clean jars with no rivets.

**Power to Juice Anything with Ease:** Retain nutrients and boost immunity by juicing whole foods into healthy drinks. You can blend it all - Be it coconut, beetroot, carrot, smoothies or greens.

**Solve Your Daily Kitchen Challenges:** After 5 years extensive research with Indian consumers and chefs this JMG is undeniably superior in performance, durability & safety. Worry less & create more!

**Includes:** 1.5-litre and 1.0-litre multi-purpose jar, 0.5-litre dry jar, tamper, scraper, two filler caps, and base. We provide Pan-India service and free post-purchase home demo (selective cities).

**Power Rating:** 1400 watts; **Operating Voltage:** 220 - 240 volts; **Hertz:** 50/60 Hz; **CE & UL Certified:** Meets global standards for safety

**Includes Master Chef Kunal Kapur colour recipe book**

**Dimensions (centimeters):** 50 H x 23 W x 19 D
