Dear Sir,

I hope this email finds you in good health. I am writing to inform you that we are registered MSME vendors, and our payment and credit terms may vary from those of large-scale vendors.

I would like to request that any payments pending for more than 45 days be cleared before 31st March. This is due to new government norms that have been circulated, and failure to comply will result in interest/GST charges.

I humbly request that you release our month-old dues, which have been pending for more than 45 days, as soon as possible, preferably by this week or coming Monday. This will ensure the smooth running of our operations.

If you have any questions or require further information, please do not hesitate to reach out to me directly. Thank you for your continued partnership, and we look forward to maintaining a mutually beneficial business relationship with you.

Best regards,

Sumit Bansal
