**Subject:** Re: Payment advices required.

Dear Mr. Harvinder,

Referring to our discussions this morning, having continuous business relations, I shall discuss with our HO procurement dept. on revising the payment terms, going forward.

But this particular PO, since it is already processed and for which payment of 50% too has already been released, please consider dispatching the materials along with the original invoice.

We will be clearing the balance payment in a week's time after receipt of materials & invoice.

As you know, there is a considerable delay in processing of this particular PO already and the equipment kept on off mode for almost 4 months now. We request your support in closing it off.

Thanks,  
Nashid
